

Thursday 2nd October 2008 - 12:15-13:45
Royal Society of Chemistry, Cambridge Science Park

Pensions: Planning for your future.

Anne St. Ives.

It may be ages until you are ready for retirement but decisions you make now can really affect your long-term financial security. So whether you are employed, self-employed or on a career break, come along and pick up some useful advice to help you and your family.

We're really pleased to welcome back Anne St. Ives to Cambridge AWiSE after her great talk last year. Anne is an Independent Financial Advisor with more than 20 years experience. She is committed to working with clients to enable suitable and informed decisions.

There will be plenty of time for discussion and networking.

Sandwich lunch served from 12:15.
£4 members, £8 non-members, payable on the door.

Please register in advance by email to info@camawise.org.uk
