

# Summer Networking

## Thursday 9<sup>th</sup> July

Come along to our last event before the summer break. If the weather is good, there'll be tea, coffee, cake and boules in the garden. If it's not so pleasant there'll be networking activities in the Reception Rooms (and cake of course!). Either way there'll be the chance to find out about us and meet someone new.

**We'd love lots of new women to find out about Cambridge AWiSE so bring along a friend who hasn't been to our meetings before and you both get in for £5!**

**Thursday 9<sup>th</sup> July – 20:00-22:00.**
